Patient Quick Guide — Consultorio RC

Patient

1. Create an account

- Go to **Create account** and enter a username, email and password.
- You'll receive a confirmation message when you sign up.

2. Sign in

- Sign in with your username or email and your password.
- You can also sign in with Google if your account is linked.

3. Forgot your password?

- Use **Forgot your password?** and enter your username or email.
- Check your email and follow the link to reset it.

4. Complete your profile

- After your first sign-in, go to **My profile** and add your name, phone number and contact details.
- A phone number is required to confirm appointments and receive reminders.

5. Book an appointment

- In **Book appointment**, choose the treatment, then an available date and time; make sure you have no pending penalties.
- You'll receive an email confirmation if your email is registered.

6. Reschedule or cancel

- From your next appointment or **My appointments**, select reschedule or cancel.
- Penalty rules apply if you cancel too late or don't show up.

7. Payments

- In **Payments** you can pay pending penalties or services online with MercadoPago and download your receipts.
- In sandbox mode, test payments are marked as completed with a simulated success.

8. Support

- Reply to the clinic's emails or use **Contact the clinic** in the menu.
- If you see errors in booking or payments, try again and report the message shown.
